copy for yourself

Saskatraz

Saskatraz traits:

- Excellent honey production
- Good wintering ability
- Selected for increased varroa tolerance and resistance to brood diseases
- Show increased hygienic behavior

Carnolian

Carniolan traits:

- A good choice for colder climates
- More likely to forage on cool, wet days than other bees
- Quick to brood up when nectar is available
- Excellent honey producers

Italian

Italian traits:

- Gentle and easy to manage (a good "beginner bee")
- Prolific brood producers
- Highly hygienic
- Good comb builders
- Excellent foragers
- Excellent honey producers

Randy Oliver Queens
